

Painting Studio Programme | September 2017 – July 2018

Application Information (deadline 8th May 2017)

Applications are now open for the Painting Studio Programme September 2017 – July 2018, based at Turps Art School, Unit 12a Taplow, Thurlow Street, London SE17 2UQ. It is a unique opportunity for a select group of painters take up residence in their own dedicated studio within an exciting studio and gallery development in South East London, just 10 minutes from Elephant and Castle, and embark on an academic year long programme of intensive mentoring, dynamic group seminars, talks and lectures. Culminating in a group exhibition in London in 2017.

The course is designed to fulfill a fundamental and broad view of what we believe a solid painting programme requires by creating an environment that parallels the studio practice of an independent artist, within the supportive structure of an intensive mentoring programme. In this studio context we focus on encouraging, developing and reflecting upon the specific qualities an artist brings, and developing a high level of exchange and debate. Participants will be expected to work within this professional environment with commitment and a strong work ethic, as well as participating fully in a community-based studio.

Regular Turps staff painters and a wide array of visiting guest speakers will work closely with the group and individuals to maximize the opportunities through rigorous investigation of practice and context throughout the programme.
