

Turps Painting Studio and Gallery | Directions

Unit 10a - 13a Taplow, Thurlow Street, London SE17 2UQ

We are situated on the first floor walkway of the residential building "TAPLOW" on the corner of East St and Thurlow St.

The best way to access the first floor walkway is using the pedestrian ramp or stairway leading off East Street.

The nearest underground stop is Elephant and Castle Tube. From here it is a 10/15 minute walk down the Walworth Road, towards East Street. Turn left onto East Street and walk along for a further 5-10 minutes until you reach the junction of East Street and Dawes Street. Continue over this crossroads and you will see Taplow to right (a pistachio green coloured highrise) with a concrete pedestrian ramp leading up to the first floor. Head up and walk along the walkway to a series of units. We are in Unit 12a.

Alternatively from Elephant and Castle Tube you can catch the 12, 35, 40, 136, 148, 176, 343 or 468 bus down the Walworth Rd. You need to alight at the stop announced as East St market. Turn left off the bus and again East St is a few yards on the right in the direction the bus came. Once on East St follow directions as above.

OR you can walk one of the routes described in the google map link below:

<https://goo.gl/maps/tg6Vl>

If you put the postcode in you can use Google street view to get a look at the area. And view the building.
